Make your way to The Lock PH at Wolverley, nr Kidderminster, which is on the B4189, postcode DY10 3 RN. Continue along the B4189 towards Bridgnorth for about 300m to the roundabout and go straight on (still on B4189), heading towards Bridgnorth. Carry on up the hill and about halfway up there is a small crossroads. Turn right at these crossroads into Sladd Lane. Carry on for about 1 mile until you come to a turning on the left, immediately in front of a large pair of gates which serve a property called Crossways. Turn left there and then immediately left again in 30m. Follow that road for about 400m and then turn left through a large metal gate onto a stone roadway. Proceed along this roadway for about half a mile and then turn left through another metal gate. Proceed for about 200m to the Sunset Archers parking area.

There will be direction arrows marked EFAA from the turning into Sladd Lane.

Please drive slowly along the roadway to the shoot. There are often people and horses using the road, and the horse owners get upset if their horses are disturbed by cars going too quickly.

In order to reduce the number of vehicles coming to site, please car share as far as possible.

If you find the gate to be locked on arrival, please phone Chris on 07535 457625 He will then come along and unlock the gate.
